## **I. INTRODUCTION**

This is the twenty-fifth monthly report regarding third-party claims filers following the Court's request.

Rule 23(b)(3) Class Counsel ("Class Counsel") and Epiq continue to receive communications regarding third parties. Calls received via the toll-free number are tracked and reported to Class Counsel from Epiq. Class Counsel also directly receives calls and emails regarding third parties that are followed up on immediately. Additionally, Class Counsel regularly searches online using various keywords to monitor new entrants. Epiq received 12 new contacts regarding third parties since the last report. Epiq also forwards to Class Counsel certain specific issues which are discussed below.

Now that the claims-filing deadline has passed, there have been fewer issues related to the solicitation of class members for filing. Monthly reports will continue.

## **II. STATUS OF PREVIOUS ORDERS TO SHOW CAUSE**

### **A. Pacific Travel & Services LLC**

Epiq alerted Class Counsel to a concerning issue related to Pacific Travel & Services LLC ("Pacific Travel"), a company that appeared to be signing up merchants for claims-filing and demanding pre-payment for services based on purported expected settlement benefits that were not true. Pursuant to the Court's July 22, 2025 Minute Entry, Class Counsel filed a report on August 15, 2025 regarding continued efforts to communicate with Pacific Travel. ECF 9646. On August 18, 2025, the Court entered a text-entry Order directing Epiq to attempt to contact the approximately 80 class members who signed up for claims-filing services with Pacific Travel and determine whether such claims can be filed. On the same day, Class Counsel met with Epiq to discuss the Court's Order and Epiq began work on the project immediately.

Epiq has made progress in its efforts to contact class members who signed up for claims-filing services with Pacific Travel. The following chart details Epiq's efforts as of November 17, 2025 to contact affected merchants. Current counts:

Merchants with Phone Number	70
Unable to Reach	43
Left Voicemail	21
Spoke with Owner/Employee	6
Merchants with Email	39
Merchants with Mailing Address	73
Merchants without Contact Information	3
Merchants with Registrations in Process	33

Class Counsel directed Epiq to provide a mailing in English and Vietnamese to all Pacific Travel merchants with mailing addresses. In response to the Court’s October 10 text-entry Order, Epiq conducted additional outreach, sending the message again. That outreach was completed on October 16 (emails) and October 17 (paper).

That message is reproduced below:

As reported in the October 10, 2025 Status Report, Class Counsel and Epiq held a call with a person who had worked with Mr. Nguyen to sign up class members. She stated that she had provided Mr. Nguyen with \$19,000 that had been at least a large portion of money that was to have

been her percentage. She claimed she had additional funds she wished to return as well. There was a brief discussion regarding how to determine which class members were owed refunds. The person later wrote to Epiq stating that she was under a doctor's care and also studying for a major examination, but that she would get back to Epiq. The person reengaged with Epiq and spoke to representatives there on October 15. There have been additional calls since then as reported to the Court on October 24 and November 7, 2025. *See* ECFs 9679, 9687.

During a later call, information regarding another person who worked with Pacific Travel was revealed. Class Counsel has attempted to call and email this person to find out information. A translator was used to ensure the email was in English and Vietnamese. To date, despite several follow ups, this person has not responded. Attempts to reach them continue.

Class Counsel has also continued to try to reach Mr. Nguyen, again via email on November 3 and November 17, 2025. He has also received courtesy copies of all filings that mention Pacific Travel.

Finally, as of November 20, 2025 Class Counsel has received no response to its letters to the U.S. Attorney in New Jersey.

### III. OTHER MATTERS

#### A. Recovermyfee.com<sup>1</sup>

Class Counsel and Epiq believe they have now resolved issues related to the company recovermyfee.com. On November 20, 2025, Epiq received payment of \$8,125.00.

#### B. Betz & Baril, PLLC Current Issue

On the evening of November 17, 2025, Epiq informed Class Counsel that it had received a call that day from a class member expressing concerns related to the firm Betz & Baril, PLLC (“Betz & Baril”) as well as its agent, ClickFunds. This class member had a lengthy call with an Epiq representative and forwarded numerous emails. It appears from the emails that this class member was given false information regarding when he would receive payment and the payment amount, a figure that at this time is not available to anyone. He was also given incorrect information regarding his transactions, including about Square transactions. He also claimed that he did not receive disclaimers when he signed up for claims filing services. The class member also provided details from a phone call with someone at Betz & Baril where he was told incorrect information regarding the timing of payments and supposed reasons regarding the timing. Class Counsel wrote to Betz & Baril on November 18, 2025. As the Court is aware, issues related to this law firm have come up repeatedly. On October 18, 2024, the firm was warned that serious repercussions could occur if it again was found to have engaged in false and/or misleading conduct. *See* ECF 9465. “Betz & Baril agrees that if it violates any of the foregoing, Class Counsel will seek sanctions to include the cancellation of all contracts between Betz & Baril for claims-filing services, attorneys’ fees incurred related to addressing the firm’s violations, and notification to the Tennessee State Bar regarding Betz & Baril’s conduct.”

On November 19, 2025, Betz & Baril’s principal agreed to release the class member from the contracts he had entered into. Betz & Baril did not respond to the other, numerous concerns raised.

---

<sup>1</sup> The name of this entity is recovermyfee.com, not recovermyclaim.com.

On three separate occasions, Class Counsel offered the firm the opportunity to address the matter with the Court. The firm has not provided a response as of the time of filing this Report.

**C. Reginal Carter’s Letter to Court Regarding CardNet**

On November 20, 2025, a letter from merchant Reginal Carter to the Court (dated November 3, 2025) was posted to the public docket. ECF 9699. In his letter, Mr. Carter states that he was denied access to his claim on the Paymentcardsettlement.com portal by a third-party filer, CardNet.

On October 14, 2025, after Mr. Carter sent his letter but before it was posted on the Court’s public docket, CardNet reached out to Epiq to request to transfer the claim directly to Mr. Carter. Once Epiq confirmed that Mr. Carter did not want to remain with CardNet, Epiq started the transfer process. On November 17, 2025, CardNet completed the necessary actions on the settlement portal to transfer the claim to Mr. Carter. Mr. Carter now has access to his claim in his account on the merchant portal and submitted a research request on November 19, 2025.

**D. Outreach to Third Parties by Epiq**

As Class Counsel previously reported, since August 18, 2023, Epiq has been performing specific outreach efforts to known third-party claims filers.

As of November 17, 2025, Epiq has received client lists from a total of 696 third-party claim filers claiming representation of 10 or more claimants, which is an increase of one third party filer from last month’s report. As previously noted, registrations included a mix of third party filers previously self-identified as “Other” or “Owner/Employee” on the portal when registering where Epiq has subsequently identified them as third party filers and updated their designation in our records and third party filers who have added merchants.

The third parties’ total representation consists of 999,260 Tax Identification Numbers (“TINs”), which is an increase of 1,315 TINs from last month’s report. This increase is plausible due to ongoing review leading to recategorization/corrections of how third party filers registered and along with third party filers who continue to upload new TINs as a result of the Research Request process.

#### IV. CONCLUSION

Class Counsel will continue to apprise the Court regarding issues with third-party claims filers via monthly reports and will bring urgent matters to the Court's attention via letter. The next monthly report will be filed on December 19, 2025.
